Report of Webinar

National webinar on the Theme “New Education Policy: In the context of Teacher Education” was organized under the joint aegis of the Internal Quality Assurance Cell of Maharaja Surajmal Teachers Training College, Bharatpur (Rajasthan) and Uchh Shiksha evm Shodh Sansthan Dakshin Bharat Hindi Prachar Sabha, Madras on 26th August 2021 at 11:00 on WebEx & You tube.

The objective of the webinar to conduct a vast discussion on a single platform with experts and to provide detailed knowledge of New Education Policy in the context of Teacher Education to the all participants.

The chief guest Dr. Pramod Kumar Sharma, Registrar, Institute of Higher Education and Research Dakshin Bharat Hindi Prasar sabha, Madras first introduce the institution that the Dakshin Bharat Hindi Prachar Sabha Madras is declared by Parliament as an Institution of National Importance by Act of 1964. He also introduces the background, vision, mission and Gandhian Philosophy of Dakshin Bharat Hind Prachar Sabha Madras. In his significant exposure of knowledge, he lightens on very sensitive issue about the expenditure on school education and efforts to being the out-of-school children back to the school.

Invited speaker Prof. R.K. Srivastava, former Head and Dean, H.N. Bahuguda Central University Garhwal, Uttarakhand highlighting the key point of New Education Policy 2020 that 50% of the students who would get higher education would be given incentives for vocational education.

Dr. Vijay Kumar Rai, Principal, Modern College of Education, Veerkala Sangur, Panjab told about the features of the New Education Policy in context of Teacher Education that wide changes are going to introduce in teacher education programme such as One year after four year UG & Two year B.Ed. after PG and four year Integrated B.Ed. in multidisciplinary institution but the future of existing Teacher Education College is a major concern.

Dr. Yadu Sharma, Principal, Subodh T.T. College, Jaipur said that the New Education Policy told about the qualitative parameters in teacher education programme to make the pre service teacher more competent in global scenario. In present internship process in Rajasthan the students are not getting in touch and direct monitoring of Teacher Educators so the development of professional competencies of pupil teachers can't identified and improve properly without direct observation & also evaluation of pupil teachers during internship by teacher educators.

Dr. Anil Kumar Srivastava Principal, As Chair of webinar concluded the theme and said a large number of initiatives are introduced in New Education Policy in context of Teacher Education those are giving hope that sweet dream of qualitative Teacher Education of India is going to become true. They also raised very practical issue that the salary of private institution teachers should be increased to bring education up to a higher level so that they can be encouraged to do excellent work.

The webinar was ended by vote of thanks by Dr. Rashmi Sivastava, Coordinator IQAC and convener of webinar.

Reporting done by Dr. Jagriti Sharma Assistant Professor.
